The Carl Acuff Jr. Show is beginning their 2nd decade of entertaining audiences all across the United States. This show is one of the most dynamic high-energy performances you'll ever see. Carl has been called the "hardest working white man in show business today," and after seeing his show, you'll understand why.

Yes, Carl is from the legendary family that has called country music it's home and he does country in his show. He's very proud to tell you about his relationship to Roy Acuff the "Kind of Country Music," but that doesn't mean this is strictly a country show. This show consists of Top 40 Country, classic country, gospel, and a 50's and 60's beach party that will knock your socks off! Most of all, it is a good clean family show. This versatile group of entertainers also includes a patriotic salute to our veterans and side-splitting impersonations and comedy. If you don't want the country portion of the show, Carl also offers a Classic Rock n Roll show all by itself. So you see, this is really two GREAT acts in one. If you're looking for a wonderful night of fun entertainment, you should bring the Carl Acuff Jr. Show to your next event!
