After college, Joe worked at an **ABC** affiliate as a television commercial producer eventually working up to **production manager**. At the same time Joe and Dee raised **two beautiful daughters** and were involved in heading up youth, children's, and television ministries.

From 18 to 23 years of age, Steve was awarded many national & regional sales awards by Combined Insurance (a fortune 500 company with a 74-year history), making him the **youngest person** to be promoted to Sales Manager, District Manager, & National Sales Trainer.
