

Phil Dirt & The Dozers **"Ultimate Musical Journey"**

To join **PHIL DIRT & THE DOZERS** on the ultimate musical journey. Come travel back to a time when life was more simple . . . the world a bit smaller . . . and the cost of a new Chevy was about \$2000.00. A time when poodle skirts, saddle shoes and the corner drug store were all a part of everyday life. Seem like a long time ago? It really doesn't have to!

PHIL DIRT & THE DOZERS. . . America's premiere "Rock 'N R'oldies" review (and the most popular vintage rock and roll show in the nation) will help you recapture those wonderful days! With their musical talent, high energy and contagious sense of humor, **Phil Dirt & the Dozers** will transport you to another time and place . . . namely, the 50's, 60's, and 70's of Rock and Roll! Imagine hearing The Four Seasons' Sherry with the original falsetto vocals intact . . . or the hauntingly beautiful Righteous Brothers' Unchained Melody. Imagine the Platters' soul-stirring Only You performed with all the scratches and skips found on a well-worn 33 1/3 record, the way the Dozers first learned it! The Phil Dirt Time Machine also stops in the '70's, where you'll experience some of this decade's greatest hits including those from the Doobie Brothers, Eagles and even the O'Jays.

The **PHIL DIRT & THE DOZERS'** nostalgia show encompasses three decades of great music . . . and is performed absolutely live with a sophisticated yet lighthearted approach that creates an atmosphere all age ranges will enjoy.

As the old saying goes, success speaks for itself, and in the world of musical entertainment, the name **Phil Dirt & The Dozers** is synonymous with success. Why? Time after time, **Phil Dirt & The Dozers** have proven themselves at countless events including state and county fairs, festivals, corporate and private shows, theaters, casinos, speedways, car shows, conventions, trade shows . . . and much more. **Phil Dirt & The Dozers** IS the nation's #1 requested vintage rock and roll show providing fun, memories . . . and professionalism! That's a proven fact.

Playing an average of 150 engagements per year, The Dozers have a phenomenal repeat booking rate of more than 60%. With an experienced full-time production crew that is fully self-contained, The Dozers provide their own sound and light packages that can custom-fit any audience size ranging from 100 to 10,000. And this is a surefire "winner" for our clients since there is no need for them to spend more on sound and lighting systems or backline gear.

Rave Reviews

“Phil Dirt & The Dozers by far and away was the finest show our concert association has ever presented. The collaboration between the musicians and audience, and the energy flowing on stage through the entire performance was remarkable.” *Tom Gilbert, Anthracite Concert Association, Pottsville, Pennsylvania*

“Phil Dirt & The Dozers ought to be in the Rock and Roll Hall of Fame. You guys are that good and sound better than many of the original artists in the Hall of Fame! We definitely want you back again for a third straight year in 2006!” *Gayle Bowling, Theatre West Virginia, Beckley, West Virginia*

“I booked Phil Dirt & The Dozers to open for The Beach Boys in Hiawassee. They were as good as The Beach Boys!!!! What an awesome show!!! I had a lot of people tell me how much they enjoyed them. I plan to have them back in Hiawassee next year for another performance.” *Hilda Thomason, General Manager, Georgia Mountain Fair, Hiawassee, Georgia*

“We had your group in Maysville, Kentucky at the Rosemary Clooney Music Festival and along with everyone else, thought you guys stole the show! If I may say so, Linda Ronstadt paled in comparison to your performance. I’ll recommend that you come back next year, if you’ll have us.” *Marti Insko, Rosemary Clooney Music Festival, Maysville, Kentucky*

“What I have to say comes from experience. Your show may have been one of the finest performances I have ever seen and heard by a band in the 50 plus years I have been in the broadcasting and music business!!! Thoroughly entertaining!!! Musically perfect!!! Thank you for providing great entertainment for my family and myself.” *Charles Martin, ABC News Bureau Chief, former owner radio station KCLW in Hamilton, Texas*

“We originally booked Phil Dirt & The Dozers to compliment our Cruise event, but because of their wonderful musicianship, great, tight-fitting harmonies, the many different styles of rock n’ roll, and their tremendous showmanship as entertainers, they became an event themselves! We’ve now booked them for five years straight and they continue to draw thousands of people to our event. *Dr. Tom Butler, Bellefonte Cruise, Bellefonte, Pennsylvania*

“Surprisingly, Sha Na Na’s efforts to parody the sights and sounds of the 50’s pale in comparison to the work of Phil Dirt & The Dozers, a Columbus-based band of nostalgic rockers who have performed some memorable shows throughout the Midwest” *News Journal, Mansfield, Ohio*

“Foremost the finest corporate entertainment show in America and the only one we have ever booked more than once!” *Debra Halliday, BWXT Pantex Corporation, Amarillo, Texas*

STEVE CABOT - Steve is a founding member of the band. In 1966 he joined the group that eventually became known as... Phil Dirt and The Dozers! A captivating performer, Steve has a wonderful stage presence and a beautiful singing voice. He also has that uncanny ability to emulate the vocal styles of some of the most beloved musical artists, such as Roy Orbison, Mike Love of the Beach Boys, Frankie Valli and yes, even Elvis! Musically versatile, Steve also plays guitar, percussion, keyboards, saxophone and drums.

MARK FRYE - Mark joined the Dozers in 1983. Extremely talented and multi-dimensional, Mark has the most formal music education among those in the group. Not just the Dozers' primary keyboardist, he also plays saxophone, flute and bass guitar... and makes a fine contribution with his strong vocals. Mark also has experience in many other facets of the music business including arranging, engineering, production, and composing. In fact, his work composing music soundtracks for TV documentaries has earned Mark two well-deserved Emmy awards. His solo CD entitled Jack Hanna's World is available worldwide on VIRGIN Records. We're all very proud to have Mark as a Dozer!

RICK FRYE - Like younger brother Mark, Rick also joined the band in 1983... and has made an important contribution to the Dozer sound ever since. A seasoned professional, Rick's extensive knowledge of 50's and 60's musical heritage is showcased in a way our fans have come to know and love. A low key, mellow guy until he gets on stage, his exuberance on the drums is controlled only by the fact that he has to sit to perform! And we've all come to expect Rick's dry wit to appear during each show at the most unexpected moments... which proves to be a favorite show stopper. Adding those great vocals of Chuck Berry, John Lennon and Little Richard to the mix, Rick is an extremely talented musician as well as a great asset to the Dozer sound!

TONY ALFANO - Tony joined the Dozer organization in 1993 as a veteran singer/guitar player for many bands... including the U. S. Army 5th Division Band. To put it mildly, he has been a whirlwind of enthusiasm ever since he arrived. As an avid Beach Boys fan and true lover of Oldies and Classic Rock, Tony has had the opportunity to perform on stage with The Beach Boys, Jan & Dean, The Temptations and others. A "Born and Raised" New York native, Tony brings a heartfelt emotion every song he performs.

CRAIG GOODWIN - Joining the Dozers in early 2001, Craig is the "newest" member of the group... but has been a good friend of the band for many years. In fact, Craig's instrumental CD entitled Finger Tones was produced by Mark Frye in 1997 and recorded in the Dozer's own Phil Harmonix Studio. Craig has been a professional musician for more than 30 years and has performed with such

well-known acts as McGuffey Lane and the Byrd's own Roger McGuinn. Craig's range is quite extensive for not only is he the Dozer's bass player... he also lends his accomplished skills on guitar, piano and vocals too. And his enthusiasm for "the Oldies" is becomes obvious when, on the stage, he brings to life such artists as Buddy Holly, John Fogerty and The Beatles. We're all very happy to have Craig on board!

and finally...

PHIL DIRT - In 1981 on a cold, lonely night, in a dark and smoke-filled bar room... Phil Dirt was born. Those lucky enough to be present probably had no idea that this single event would have such a wonderful long-term impact on so many people. Who would have guessed that in just a few short years Phil Dirt and the Dozers would have traveled the continent performing to thousands of fans... have several albums to their credit... appear on local and national television including their own TV show... and be the focus of hundreds of newspaper and magazine articles! True, Phil Dirt is a figment of our imagination who exists only in our hearts but he HAS become an essential part of Americana: a nostalgic link to our past who continues to remind us of those great times we once shared. And like an old family friend, Phil will continue to live on in our hearts for many, many years to come.
