"Your personal touch is especially appreciated as it made people feel like you were a part of our group, and not a paid entertainer."

***B. Townes, Wilkesboro Community Center***

"I haven't laughed for 45 straight minutes as much as I did during your presentation. It's hard to believe how, just spending 15 minutes with our committee, you could roast those people."

"This is the second time we have had you present a program at one of our conventions, and it won't be the last."

***Ben Fuller, Oklahoma Ready Mixed Concrete Association***

"For a large national association whose members are diverse, it's tough to keep EVERYONE entertained. Nevertheless, you succeeded."
