

Patrick B. Haggerty

A Genuine American

America thrives on freedom, pride and fearlessness.

This patriotic keynote speaker will revive those qualities at your meeting by combining current political humor and patriotism.

“Pat, your combination of current political humor and patriotism made your message so engaging. You made my members laugh, cry, listen and think.”

– Beverly Sobel, VA Health Care Association

“Absolutely right on target! You told my members everything they needed to know about achieving our legislative agenda in a very empowering way.”

– Peter Loughlin, Associated General Contractors of America

“You correctly predicted the House, the Senate and the Presidential race in ’04 for us and your predictions for ’06 and the ’08 Presidential races, including the Hillary Factor, are very insightful. At the reception that night, everyone was re-telling your jokes.”

– Jim Hughes, Baxter Healthcare Corporation

“You made our eligible employees aware of the great benefit and opportunity of our PAC while dispelling a lot of myths.”

- Carolyn Sabatini, Pharmvite Corporation

“It if happens in Washington, DC, Pat Haggerty knows about it and can explain it.”

- Larry King, Larry King Show

Pat was born on the 4th of July weekend in the middle of the century in the middle of the country.

Programs:

These programs empower, motivate, inform and entertain using current political humor.

- **Grassroots Advocacy** – *The difference between boy scouts and elected officials is the Boy Scouts have adult supervision.*

- **Election Analysis** – *Voters overwhelming rejection of the Iraqi war, President Bush and the Status Quo at the 2006 polls, how this will affect the 2008 Senate and House races and the 2008 Presidential contest including the “Hillary and Barack Factor.”*

- **PAC Development** – *Contributing to candidates who share your philosophy of governance is as fundamental to democracy as voting and puts people in office who understand your agenda.*
- **Business and Professional Etiquette** – *Establish or enhance your ability to be polished and professional to enlarge your effectiveness in the workplace.*
- **Leadership** – *Average Americans making positive inputs each day at the office, at school, at church and other places provide the leadership that keeps this country great.*
- **Patriotism** – *Every day in America is the Fourth of July. Everyday every American celebrates his freedom.*

Some of Pat’s Career Highlights Are:

- *Frequent guest on Larry King Show*
